If only one person nominates for a position they are deemed to be elected. If more than one nominates then an election shall be held. *Please also refer to the Election Rules which are posted to the BPG web site.*

If there is an Election to be held it will be conducted by secret ballot.

What is a Natural Person? A 'Natural person' means a person other than a corporation. In law, corporations are considered persons, as they can enter into contracts, etc. Specifying a natural person means that companies and/or incorporated associations can't stand for office - only actual people.
